

199—1.3(17A,474,476,78GA,HF2206) Waivers. In response to a request, or on its own motion, the board may grant a waiver from a rule adopted by the board, in whole or in part, as applied to a specific set of circumstances, if the board finds, based on clear and convincing evidence, that:

1. The application of the rule would pose an undue hardship on the person for whom the waiver is requested;
2. The waiver would not prejudice the substantial legal rights of any person;
3. The provisions of the rule subject to a petition for waiver are not specifically mandated by statute or another provision of law; and
4. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the rule for which the waiver is requested.

The burden of persuasion rests with the person who petitions the board for the waiver. If the above criteria are met, a waiver may be granted at the discretion of the board upon consideration of all relevant factors.

Persons requesting a waiver may use the form provided in 199—subrule 2.2(17), or may submit their request as a part of another pleading. The waiver request must state the relevant facts and reasons the requester believes will justify the waiver, if they have not already been provided to the board in another pleading. The waiver request must also state the scope and operative period of the requested waiver. If the request is for a permanent waiver, the requester must state reasons why a temporary waiver would be impractical.

The waiver shall describe its precise scope and operative period. Grants or denials of waiver requests shall contain a statement of the facts and reasons upon which the decision is based. The board may condition the grant of the waiver on such reasonable conditions as appropriate to achieve the objectives of the particular rule in question. The board may at any time cancel a waiver upon appropriate notice and opportunity for hearing.

This rule is intended to implement Iowa Code chapters 17A, 474, and 476 and 2000 Iowa Acts, House File 2206.
